~~Deptt. I~~

2. We are considering the question of grant of land out of Antharagange State Forest to different Co-operative Farming Societies in our file AFD 3 FGL 60 (main as well as sup. files).

3. The land was already granted by the D.C. in his ~~letter dated 1-12-1958 at flag 'D' which measures about 80-0-0 acres in S.No.14 of Yerahally in Bhadravati~~ Taluk which is reported to be gomal included in Antharagange State Forest, Sanguvali Chits, it is said, have yet to be issued.

4. The D.F.O., Bhadravathi has agreed to its release as it is said to come under Bhadra Right Bank Channel ~~and irrigable while the C.F. and the C.C.F. are not in favour of its release as they say it is required for raising irregated fuel plantation.~~

Submitted for orders.

The area proposed to be granted for S.No.14 of Yarehalli is not included in the area which is being considered for assignment to one of the Co-operative Farming Societies in File No.AFD 3 FGL 60, submitted separately.

In the circumstances reported by the D.C., Shimoga, in his letter N of 15-12-1959 p.4/c. A. & F.D. may.....

may perhaps agree to the release of 80 acres of land out of S.No.14 of Yarahalli which will be covered by the irrigable zones,(B.B.R.B. Channel) particularly because the grantees belong to Bovi Community.

D.S.

The proposal of the Divisional Commissioner in Mysore is to regularise the grant of 80 acres of land in S.No.14 in Shimoga District, the village concerned being Yerehalli. It is seen that this area forms a part of the Antharagange State Forest. The land seems to have been released for cultivation already, but the saguvali chits have not been issued till the release is sanctioned. From the papers before Govt. it is seen that before releasing the land for cultivation, the local revenue officers did not consult the Forest Deptt. and now they have started putting excuses that they were not aware of its being a State Forest, etc. On account of the errors committed by the local revenue officers, the Forest Deptt. is likely to lose a huge chunk of 80 acres of good forestland. In fact the C.F. Shimoga and the C.C.F. Mysore have protested against the release of this land stating that the area is required by the Forest Deptt; for raising plantations to partly compensate the loss of valuable forests under the submersion under Major Irrigation Projects.

If approved, it would be better to indicate to the R.D. that on principle A. & F. Deptt. is not agreeable to release the land for cultivation and that because the persons who got it for cultivation were granted the land by the R.D., that Deptt. may take necessary action to grant them separate parcels of land in the revenue wastes and the forest land be restored

Reference:- Petition No. P. 2368 dated 5-11-58 of Sri Dasappa presented to the Hon'ble Minister for Social Welfare and Excise, Bangalore.

In forwarding herewith a copy of letter No. 14. DAR. 300/58-59 dated 15-12-59 together with the connected records received from the Deputy Commissioner, Shimoga District on the subject mentioned above, I write to state that the Deputy Commissioner has recommended to obtain sanction of Government to ratify the action taken in regard to therelease of an extent of 80-00 of land out of S.No.14 of Yerehalli from the Antaragange State Forest as a special case as the grantees are poor and landless and belong to the Depressed class and as the land was already granted to them vide Deputy Commissioner's Memo No. D. Dis. 14. Dar. 290/ 58-59 dated 1-12-1958 (enclosed in the file)

The proposed S.No. is a gomal measuring 272-34 in extent and it is included in Antaragange State Forest.

On being consulted by the Deputy Commissioner, the District Forest Officer, Bhadravathi has recommended to the release of 80-00 of land in the above S.No. as land proposed to be granted

will come under the irrigable zone of B.R.B.Channel. But both conservator of Forests, Shimoga and Chief Conservator of Forests in Mysore, Bangalore are not agreeable to release the area as the area is required for forest Department for forming irrigated plantations to partly compensate the loss of timber and fuel yelding forests coming under submersion (Godesligne Rose).

In this connection it may be stated that the Deputy Commissioner has been requested on 29-12-59 not to issue Saguvali chit & till the release is sanctioned.

In the circumstances, I solicit early orders of Government in the matter.

Yours faithfully,

Sd/-
for Divisional Commissioner,
Mysore Division.
